## ***Operation and Terms of Reference***

## Governance and engagement

*“Shaping places requires strong local leadership. This guidance sets out how this can be achieved through a partnership approach which fully engages local communities in planning for the future of their area”*

HM Government – Creating strong, safe and prosperous communities  
– Statutory Guidance July 2008

## **Purpose of this document**

It is the intention of this document to describe how the various statutory partner organisations will jointly engage with the community of Tadcaster and Villages and, together with that community, cultivate an inclusive and responsive forum for the better development of the community.

## **Objectives of the Forum**

The Forum will provide:

- The opportunity for residents of the Tadcaster and Villages area to raise concerns about public services provided by any public body having an influence on the quality of life of those living and working in the area;
- A means of holding to account those who provide services in the name of the community;
- A means of influencing the future shape of service delivery;
- An opportunity for direct involvement in the provision of services and facilities for the benefit of the area;
- A means of determining the use and monitoring of the Community Fund
- A means of sharing information and gathering the views of the community.

## **Operation of the Forum**

The Forum will meet on not less than five occasions in each municipal year at a venue suitable for the proper conduct of business.

Each meeting (lasting no more than 3 hours) will consist of two parts:

- Open (the community session)

- Formal (the Partnership Board)

The open part of the meeting will be open to any resident or interested party and will provide an opportunity for:

- Feedback from previous meetings
- Information giving (e.g. presentations requested from service providers such as the Highways Authority)
- Question and answer sessions (allowing local concerns to be raised)
- The community to find solutions to local issues
- Reports on actions taken to deliver the Community Development Plan

The formal part of the meeting will generally be shorter and will provide the opportunity for the Board to take decisions necessary for the furtherance of Forum business. The formal part of the meeting will be open to all but only voting members (i.e. The Board) will generally be able to speak.

The overriding intention must be to make the Forum and its business accessible to as wide an audience as possible. Formality in the meetings should be as restricted as possible and provision for input should be constructed in such a way as to allow anonymous contributions for those who are not comfortable with speaking in public (e.g. suggestion boxes and post-it boards).

## **The Community Fund**

Selby District Council has agreed to provide a Community Fund for local determination (initially £20,000 p.a.). Other partner bodies may wish to add to this fund in due course. The Fund will be divided into two halves, the first of which will be used at the discretion of the Board to help resolve local issues or enhance local services. The second will be used to provide or enhance local facilities and will be allocated to projects or schemes on the recommendation of a sub-group of the Forum according to agreed criteria.

## **Support to the Forum**

Selby District Council will provide:

- Senior Officer support and advice to the Forum
- Notes of each meeting
- The funding for the venue
- A web site for the display and dissemination of Forum information

## **The Community Development Plan**

In order to set a direction for the development of the Tadcaster and Villages Area and facilities available for that area it is proposed that a Community

Development Plan be created. This Plan will be wide ranging and could cover any issue which has an impact on the quality of life of those who live and work in the area. The plan will link directly to the Sustainable Community Strategies at District and County level and will provide a real opportunity for communities to influence the future shape of the community.

The Plan should not be confused with village design statements or parish plans but could both influence or be influenced by either.

Regular reports on the delivery of the action plan, which will form part of the Community Development Plan, will be fed back to the Forum (and to the community at large through the web site, Citizenlink, parish newsletters, etc.)

## **The Statutory Partners**

Though there is currently no statutory requirement for the formation of community engagement mechanisms, the following statutory bodies have agreed to support a partnership response to community concerns which should lead to a more seamless delivery of services and a more cost effective use of combined resources:

- Selby District Council
- North Yorkshire County Council
- North Yorkshire Police
- North Yorkshire Fire and Rescue

## **Admitted Partners**

In addition to the statutory partners listed above, the following will have voting rights on the partnership board:

- Representatives of four parish or town councils within the area
- Up to two other community representatives co-opted by the board

## **The Partnership Board**

The partnership board will be accountable to the community encompassed by the Tadcaster and Villages Community Engagement Forum (CEF) and will conduct its business in public (except where confidentiality issues preclude it from doing so) immediately following the open meeting of the CEF.

  - (ii) acts as a representative of the Board;

### **2. STANDARDS OF BEHAVIOUR**

- (a) This Code of Conduct shall not have effect in relation to the activities of a Member of the Board undertaken other than in an official capacity.
- (b) Where a Member of the Board acts as a representative of the Board on another relevant body, he/she must, when acting for that other body, comply with that other body's Code of Conduct
- (c) In this code, "Member of the Board" includes a co-opted Member of the Board.

### **3. GENERAL OBLIGATIONS**

- (a) A Member of the Board must -
  - (i) promote equality by not discriminating unlawfully against any person;
  - (ii) treat others with respect; and
  - (iii) not do anything which compromises or which is likely to compromise the impartiality of those who work for, or on behalf of, the Board.
- (b) A Member of the Board must not -

- (i) disclose information given to him/her in confidence by anyone, or information acquired which he/she believes is of a confidential nature, without the consent of a person authorised to give it, or unless he/she is required by law to do so; nor
  - (ii) prevent another person from gaining access to information to which that person is entitled by law.
- (c) A Member of the Board must not in his/her official capacity, or any other circumstance, conduct himself/herself in a manner which could reasonably be regarded as bringing the Board into disrepute;

- (i) An appointed advisor to the Board
  - (ii) The accountable officer for the Board's finances

## **PART 2 - INTERESTS**

### **4. PERSONAL INTERESTS**

- (a) A Member of the Board must regard himself/herself as having a personal interest in any matter if a decision upon it might reasonably be regarded as affecting himself/herself to a greater extent than an ordinary resident of the area or the well-being or financial position of himself/herself, a relative or a friend or –
  - (i) any employment or business carried on by such persons;

- (ii) any person who employs or has appointed such persons, any firm in which they are a partner, or any company of which they are directors;
  - (iii) any corporate body in which such persons have a beneficial interest in a class of securities exceeding the nominal value of £5,000;
- (b) In this paragraph -
- (i) “relative” means a spouse, partner, parent, parent-in-law, son, daughter, step-son, step-daughter, child of a partner, brother, sister, grandparent, grandchild, uncle, aunt, nephew, niece, or the spouse or partner of any of the preceding persons; and
  - (ii) “partner” means a member of a couple who live together.

#### **a. DISCLOSURE OF PERSONAL INTERESTS**

A Member of the Board with a personal interest in a matter who attends a meeting of the Board at which the matter is considered must disclose to that meeting the existence and nature of that interest at the commencement of that consideration, or when the interest becomes apparent.

Where a Member of the Board considers he/she has such a personal interest in a matter, he/she must always declare it, but it does not then necessarily follow that the personal interest debars the Member of the Board from participation in the discussion and voting.

#### **b. PREJUDICIAL INTEREST**

- (a) Subject to sub-paragraph (b) below, a Member of the Board with a personal interest in a matter also has a prejudicial interest in that matter if the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice the Member of the Board’s judgement of the public interest;
- (b) A Member of the Board may regard himself/herself as not having a prejudicial interest in a matter if that matter relates to -
  - (i) another relevant Board of which he/she is a Member
  - (ii) another public Board in which he/she holds a position of general control or management;

- (iii) a body to which he/she has been appointed or nominated by the Board as its representative;

**c. PARTICIPATION IN RELATION TO DISCLOSED INTERESTS**

- (a) Subject to sub paragraph (b) below a Member of the Board with a prejudicial interest in any matter must -
  - (i) withdraw from the room or chamber where a meeting is being held whenever it becomes apparent that the matter is being considered at that meeting, unless he/she has obtained a dispensation.
  - (ii) not seek improperly to influence a decision about that matter.
- (b) For the purpose of this paragraph, “meeting” means any meeting of -
  - (iii) the Board; or
  - (iv) any of the Board’s Committees/Boards, Task and Finish Groups or Advisory Committees.

**PART 3 - BEHAVIOUR**

**5. RESPECT AND COURTESY**

For the effective conduct of the Board’s business there must be mutual respect, trust and courtesy in all meetings and contacts, both formal and informal, between Member of the Boards and Officers of the partner organisations. This too plays a very important part in the Board’s reputation and how it is seen in public. It is very important that both Members of the Board and Officers remember their respective obligations and to do what they can to avoid criticism of other Members of the Board, or other Officers, in public places.

**6. CONCLUSION**

It is hoped that, by following good practice and securing sensible and practical working relationships between Members of the Board and others, we can provide one of the cornerstones of a successful public Board.
