# Community Forum

# All Welcome

6pm, Tuesday 7th February

Monk Fryston Primary School, LS25 5PN

From 6pm there will be stalls providing information on:

- How to get funding for your idea
- Community Broadband
- How to volunteer or get volunteers

## Forum Focus

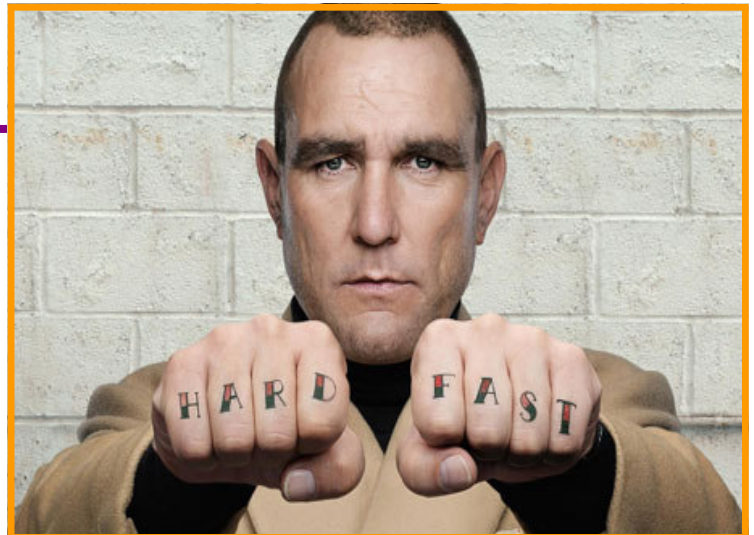

### You can save lives

because you can get to villagers before the paramedics.

Become a first responder and you'll be equipped to respond to emergencies whilst the paramedics are on their way.

This service is already being used in many villages in our area, come along and see how easily it could be available in yours, after all it could be one of **your** family who needs the attention.

We couldn't get Vinnie Jones but we've the next best thing! Come to the demonstration of CPR to see who it is and learn how to save lives!

Also you can have an informal chat with the following partners:

- The Police (talk about crime and ASB)
- Access Selby (provide services for Selby District Council)
- Partnership Board - you to tell us what you would like to discuss at future meetings!
- Fire & Rescue and Highways (road safety)

For more information visit: [www.your-community.org.uk](http://www.your-community.org.uk)

## At the last meeting

Members of the public had an opportunity to raise their issues. Some of these included anti-social behaviour at a local pub in South Milford, dog fouling in public places and the cycle lane in Sherburn. These were passed to the relevant organisation or taken through to the Partnership Board meeting for discussion and follow up action.

Chair - Councillor  
Andy Pound

## Call 101

to report less urgent crime or Disorder, such as:

- your car has been stolen
- your property has been damaged
- you suspect drug use or dealing in your local area
- report a minor traffic accident
- give the police information about crime in your area
- speak to the police about a general enquiry

Clever 'voice activation' lets you speak directly to your local officer if you know their name or number

## Want to know the Facts on Speeding where you live?

Lots of people in the Western area HAVE ASKED FOR 'black boxes' (covert traffic speed measuring devices) around their community. These have been analysed and the speed matrix findings from them is now on our community website [www.your-community.org.uk/downloads.html](http://www.your-community.org.uk/downloads.html) for you to search and check the results.

## Other News.....

Action is being taken by the Police and Parish Council to reduce anti-social behaviour. Dog fouling is on the decrease thanks to Access Selby Community Officers, dog warden and Enterprise. For more information Contact [communityofficerwestern@selby.gov.uk](mailto:communityofficerwestern@selby.gov.uk)

## Volunteers Needed!

**If you are willing to help at the Forum meetings, please contact Kathy Donnelly at Selby District Volunteer Centre on 01757 29 1111**

## The Co-op Compromise

People using the co-op shop car park in Sherburn were furious when a one and a half hour parking restriction was introduced.

A nearby shop started a petition that soon had over 600 signatures protesting against the parking restriction. The issue was raised at the Forum and the partnership board agreed to get involved and discuss the issue with the Co-op.

As a result a compromise allowing people to park for two hours was agreed.
